Single Girl Abroad - Madeline Delacourte is having the time of her life in Singapore. Young, free and absolutely single. Rich-as-rich-can-be, she wants for nothing, especially not an annoyingly complicated relationship. Fresh off the plane, Jianne Xang-Bennett wants a man, preferably a tall, dark stranger, to help her get out of an awkward fix! Or should Jianne be careful what she wishes for? Over Singapore Slings these 2 single girls are tempted to throw caution to the wind. Should someone remind them that holiday romances never last...or would that spoil all the fun? I DON'T KNOW HOW SHE DOES IT

Kate Reddy devotes her days to her job, at night she goes home to her adoring, recently-downsized architect husband Richard and their 2 young children. It's a non-stop balancing act, the same one that Kate's acerbic best friend and fellow working mother Allison performs on a daily basis, and that Kate's super-brainy, child-phobic young junior associate Momo fully intends to avoid. When Kate gets handed a major new account that will require frequent trips to New York, Richard also wins the new job he's been hoping for and both will be spreading themselves even thinner. Complicating matters is Kate's charming new business associate Jack Abelhammer, who begins to prove an unexpected source of temptation. *I Don't Know How She Does It* (Entertainment In Video) stars Sarah Jessica Parker, Pierce Brosnan and Greg Kinnear and is based on the best-selling book by Allison Pearson (Vintage £7.99).
